## Students Collect Pennies for the Cause

Students at Alice Robertson Junior High School undertook a class challenge to raise funds in a penny drive for the Alice Robertson House Restoration project. Altogether the students raised \$300 which they donated to Founders' Place Historical District.

Founders' Place is the non-profit organization that owns the home and is pursuing funding to match a \$50,000 Challenge Grant offered by the University of Tulsa.

Organizers plan to restore the Robertson House and use it as a historic tool to educate the public about Miss Alice Robertson and her family and their contributions to Oklahoma history..

Please consider making a tax-deductible donation to our cause. Checks should be made payable to Founders' Place and mailed to P.O. Box 3827, Muskogee, OK 74402. Or visit [savingshistorichouses.com](http://savingshistorichouses.com)
